Below is a link to the biographical statements and abstracts of the presenters who were included in the **Preliminary Program for the 14th Biennial International Conference, L.M. Montgomery & Vision,** before it was cancelled due to COVID-19. The list is alphabetical by last name. In brackets after the presenter's name and title is the session, workshop, or special event from the Preliminary Program. There are links after the titles for relevant material being posted during the launch of the L.M. Montgomery and Vision Forum.

We look forward to reading and/or viewing material based on many of these abstracts in the following months.
